- 2011: LAND LAND – The seasons of Denmark through landscapes conveyed by 8 paintings, 8 poems, 8 songs and 8 short films - and a 30 min. documentary "BagLAND", which tells about the whole creation process. The starting point is Carsten's major landscape paintings (a commission for the canteen at Jyske Finans 2005) - all accompanied by his poems. Musician and friend Kristian Lilholt was inspired by these paintings and poems and wrote music and song for them. Later on, Kim Søgård came on the scene and created the short films. From 2005 - 2011 the cross-artistic "Landbox" was created and produced with financial support from Arbejdernes Landsbank  
2012 - 2015 large LANDlive concerts were performed at music venues across the country.
